Re: Additional information re: Preliminary Financial Report filed on October 26,2021

The \$ amount in item 1 is shown as \$10,009.00. When reviewing all the numbers prior to filing the Final report, it was discovered that the contributions (in line 1) to that point added up to \$100 less, or \$9909.00. The campaign expenses to that point are correct (number 3) and the balance (number 4) should be \$7676.03.

This was strictly an error on my part in calculating the numbers and, hopefully, this explanation is sufficient.

Thank you,

Elizabeth Tubbs
